Introduction

General Information

El Toro Judo Club uses a six kyu (or class) promotion system prior promoting to Shodan or First Degree Black Belt. These classes are Rokkyu (Sixth Class), Gokyu (Fifth Class) Yonkyu (Fourth Class), Sankyu (Third Class), Nikyu (Second Class) and Ikkyu (First Class). Rokkyu is the first rank in this system where the judoka wears a colored belt.

While still a “Beginner”, the judoka should have some elementary skills and understanding of Kodokan Judo practice and techniques. At this rank, the general public will consider the judoka to be somewhat proficient in judo and will expect him/her to be able to explain Kodokan Judo and to execute basic techniques with some degree of skill. It is important that the judoka understand that this is the first step in a long journey towards proficiency in Kodokan Judo.

Since this is the first rank with a colored belt, it is important that the instructor counsel the student as he/she prepares to engage in the challenges of becoming a Kodokan Judoka. The Rokkyu must be made to understand that he/she will be expected to be an example to other beginner’s in the class, that they demonstrate a willingness to learn that will encourage others. This includes being at the class on time, being ready to practice and being attentive. Therefore, the judoka must practice with sincerity, dedication and regularity.

Health and Hygiene

Kodokan Judo is a sport that is practiced with a partner in close physical contact. In order to minimize the transmission of diseases, students should:

- A. Wash the gi (judo uniform) after every practice.
- B. Inspect the body before each practice for lesions, cuts scratches and abrasions that could transmit blood or other body fluids. Take the necessary action to minimize the potential transmission of body fluids.
- C. Refrain from practice when you have contagious diseases such as colds, flu or other diseases that could be transmitted by close physical contact coughing or sneezing.

General Eligibility

To be considered eligible for promotion to the rank of Rokkyu, the judoka must demonstrate the following:

- A. Be of good moral character, have a good attitude and outlook on life in general and Kodokan Judo in particular, and show a maturity that will ensure the knowledge he/she is about to gain will not be abused.
- B. A basic understanding of competition in Olympic Judo.
- C. Technical proficiency in the techniques taught for the rank.
- D. Adequate time in grade to both understand and be proficient in the techniques at this rank
- E. A recommendation/approval by the candidates' instructor.
- F. Candidate's for promotion must be an active member of El Toro Judo club and currently registered with the United States Judo Federation.

Time in Grade

General Requirements

The time in grade requirements are based on a period of time that the student remained a member of El Toro Judo club and a registered member of the United States Judo Federation since his/her last promotion.

As Senior Rokkyu is the first rank that a senior student can be promoted to, the time in rank means that the student has performed the necessary tasks to achieve the promotion either by attending an approved club course for its duration or as a student in the general classes for a period not less than 13 weeks.

Rokkyu Requirements

Time in Grade	Date Completed
<p>In all cases minimum time for promotion is determined by the instructor based on the progress of the individual student.</p> <p>Typically students may either attend and complete a club Judo Beginners Course or attend general classes for a period not less than 13 weeks.</p> <p>The student should record his/her practice time</p>	

Competition

Competition Experience

For the purposes of promotion consideration is given to a candidate who wishes to either compete or not compete in shiai. A competitor normally will be required to spend less time in grade and will be given greater weight for his or her competition record towards promotion consideration. A non-competitor will have stricter requirements and a longer time in grade than a competitor.

For the purposes of the achieving a rank of Rokkyu, there is no requirement for competition experience.

Suggested Vocabulary

General Requirements

Kodokan Judo is an Olympic Sport and self-defense system that originated in Japan. Therefore the techniques and class commands are known by their Japanese names. Learning the proper names for the techniques, the commands used in class and the way to address the instructors and visitors is important to all El Toro Judo Club students. This has the added benefit of allowing you to practice effectively anywhere in the world where Kodokan Judo is taught.

In addition, all commands at Kodokan Judo tournaments up to and including the Olympic Games are given in Japanese. Therefore, it is imperative that the student understand these terms to be competitive in tournament play.
